Subject: MW-19 and Hot Spot 1 Delineation Reports

Dear Ms. Zervas:

RMT, Inc. is pleased, on behalf of L.E. Carpenter and Company (L.E. Carpenter), to submit the MW-19 and Hot Spot 1 Delineation reports for the site located in Wharton, New Jersey. The MW-19 and Hot Spot 1 area are for the most part identical, however, to remain consistent with past discussions of the area, two separate reports were prepared for your review. Please review the reports at your convenience and call me or Jim Van Nortwick at 847-995-1500 if you have any questions or comments.

Sincerely,

RMT, Inc.
